Contract	80TECH26D0530	Period of performance	November 1, 2026 – October 31, 2036
Vehicle	NASA SEWP VI, multiple-award IDIQ GWAC	Order types	FFP, T&M, LH, FPAF, FPIF, FP-EPA, hybrid
Category / group	C / C1, Small Business Set-Aside	SEWP fee	0.34%, included in prices
UEI / CAGE	FX9ZNBSKELC6 / 5ZDW0	NAICS	541330; order NAICS set by the CO
Business size	Small Business, WOSB, SDVOSB	Per-order limit	\$2M in year one; \$10M in year two (including options)

Who we are

AERMOR is a Woman-Owned and Service-Disabled Veteran-Owned Small Business in Virginia Beach, Virginia, supporting the Department of Defense as a prime contractor since 2010. More than 200 professionals deliver cybersecurity, network operations, systems engineering, and test and evaluation. AERMOR holds an active Top Secret facility clearance and a DCMA-approved accounting system, and supports Naval Network Warfare Command, Navy Cyber Defense Operations Command, Joint Staff J35, the U.S. Coast Guard, and AFOTEC.

Core capabilities under Category C

- **Cybersecurity and information assurance:** RMF and ATO support, continuous monitoring, ACAS and HBSS, DISA STIGs, incident response
- **Red team and information warfare:** adversarial assessments, penetration testing, custom red team tooling
- **Network operations and IT O&M:** NIPR/SIPR network and system administration, service desk, disaster recovery
- **Application development and databases:** mission software development and sustainment, database administration
- **Cloud services:** Azure and AWS architecture, hosting, and operations
- **Data and statistical analysis:** regression, predictive analytics, KPI monitoring in Python and R
- **IT test and evaluation and systems engineering:** test and evaluation of IT systems; DevSecOps and integration
- **Training and program management:** knowledge transfer, PMBOK-based planning, risk, and reporting

Certifications and credentials

- ISO 9001:2015 (PRI Certification)
- CMMI Maturity Level 3, Development and Services
- SBA-certified Woman-Owned Small Business and Service-Disabled Veteran-Owned Small Business
- Active Top Secret facility clearance; DCMA-approved accounting system

Small business under Category C NAICS (Exhibit 4): 512191, 513210, 516210, 517111, 517112, 517121, 517410, 517810, 518210, 519290, 541330, 541715.

Representative past performance

AERMOR performs as prime on Navy cyber, network, and test programs that match Category C scope.

Customer	Program	What AERMOR does
Naval Network Warfare Command	Off-Ship Information Assurance Services, ACAS and Endpoint Security Solutions (SeaPort-NxG)	Fleet vulnerability scanning and endpoint security support; won against nine other bidders
Naval Network Warfare Command	Flank Speed Support Services (SDVOSB set-aside)	Architecture, implementation, and operation of security, automation, and collaboration features for Microsoft Azure cloud access
Navy Cyber Defense Operations Command	Navy Cyber Red Team (NRT)	Adversarial penetration testing; built a custom Python command-and-control framework and red team tools
Operational Test and Evaluation Force	Mission-Based Test and Evaluation System (MBTES)	Modernized the MBTES application and manage 600+ databases, growing it into a multi-service system
Operational Test and Evaluation Force	60 Division (C4IS) and 70 Division (Surface Warfare) analytical OT&E support	Documentation review, operational test design and planning, test analysis and reporting, and modeling and simulation for Navy programs of record

“The professionalism, talent, and pure esprit de corps this contract team has shown to NRT is commendable.” — Commanding Officer, NCDOC

How to order

Ordering opens November 1, 2026. Category C orders are limited to \$2M in year one and \$10M in year two, including options.

1. Submit an RFQ, RFI, or Market Research Request in the SEWP Quote Request Tool at sewp.nasa.gov, selecting Category C.
2. AERMOR quotes through SEWP at or below contract price, with a stated validity period.
3. Your contracting officer sends the order to sewporders@sewp.nasa.gov; work starts once the SEWP PMO assigns a SEWP Control Number.

We accept EFT and the Government Purchase Card. New to SEWP? The SEWP PMO helps at help@sewp.nasa.gov or (301) 286-1478.
